ENERGY SOLUTIONS

Pioneering Excellence in Fuel Solutions
Across the UAE and Beyond

INTRODUCTION:

Total Maxim stands as a beacon of excellence in the global petroleum industry, dedicated to delivering innovative and sustainable energy solutions while prioritizing customer satisfaction. With a rich history of success and a relentless commitment to excellence, we have emerged as a trusted leader in the fiercely competitive fuel market landscape.

TOTAL MaXim
TRADING REFINED OIL PRODUCTS

OVERVIEW:

At **Total Maxim**, we are proud to be recognized as the premier procurer and distributor of top-tier ADNOC petroleum products, catering to the discerning needs of clients across the UAE and beyond. Our operations are underpinned by an unwavering commitment to excellence, professionalism, reliability, and innovation.

With dedicated passion and a relentless pursuit of perfection, Total Maxim has set the standard for excellence in the industry.

HISTORY

Established in 2021, Total Maxim embarked on a journey marked by rapid growth, industry innovation, and unwavering dedication to customer satisfaction.

Over the years, we have meticulously expanded our operational horizons, diversified our product portfolio, and forged robust strategic alliances,

positioning ourselves as pioneers in the field of fuel solutions.

OUR VISION:

Our vision is to be the bench mark for excellence in the global fuel industry, fostering enduring partnerships grounded in integrity, high standards, and unwavering innovation. We strive to set new industry standards and lead by example in every aspect of our operations.

OUR MISSION:

At Total Maxim, our mission is simple yet profound: to deliver reliable, sustainable energy solutions while upholding the highest standards of safety, environmental stewardship, and corporate integrity. We are dedicated to offering unparalleled value to our esteemed clientele and exceeding their expectations at every turn.

PRODUCTS & SERVICES:

Diesel Fuel Trading 1

Our premium-quality, low-sulfur automotive diesel fuels ensure optimal performance and maximum corrosion protection for a wide range of applications.

Diesel/Fuel Transportation: Leveraging our industry expertise, we engage with reputable transportation contractors to ensure the safe and efficient delivery of our products.

Oils and Lubricants 2

We offer a wide range of lubricating products, including automotive, industrial, marine, and specialty lubricants, sourced from renowned brands such as Emarat, Shell, and ADNOC.

Trading Refined Oil Products 3

As esteemed custodians of premium refined oil and petroleum products, we offer a comprehensive range of products, including Diesel Gas Oil D2, Virgin D6, Crude Oil, Jet Fuel JP54, Mazut, Bitumen, LNG, and Gasoline.

Jet Fuel 4

Total Maxim provides high-quality jet fuel to meet the demanding requirements of aviation industry clients, ensuring safe and efficient flight operations.

Grease 5

Our range of grease products offers superior lubrication and protection for various applications, including automotive, industrial, and marine equipment.

KEY PERSONNEL:

Our leadership team comprises visionary individuals who drive our corporate strategy and inspire our team to achieve new heights of success

A man in a dark suit stands with his back to the camera on a rooftop, looking out over a sprawling city skyline at night. The city is illuminated with various lights, and the sky is a deep blue. The man is positioned in the center of the frame, looking towards the horizon.

CEO's Word:

"As CEO of Total Maxim, it is my privilege to lead our dedicated team in our pursuit of excellence. We are committed to delivering unparalleled energy solutions while upholding the highest standards of integrity, innovation, and customer satisfaction. Together, we will continue to innovate, adapt, and drive positive change in the global energy landscape."
